

DATA PROTECTION OFFICER (DPO)

Protect Data. Ensure Compliance. Build Trust.

Every organization handling personal data must protect it. Our Data Protection Officer (DPO) service helps you comply with the Digital Personal Data Protection (DPDP) Act, 2023, reduce privacy risks, and strengthen data governance. At Avanzo Cyber Security Solutions, we provide expert guidance, continuous monitoring, and compliance support—so you can focus on your business while we help safeguard your data.

Who Can Benefit?

Hospitals & Healthcare

Educational Institutions

IT & Technology Companies

handling personal data

Corporate Enterprises

Retail & E-commerce

Financial Services

Data Privacy Compliance

Our DPO Services

Compliance Management

Ensure your organization aligns with the requirements of the DPDP Act, 2023 and other applicable data protection regulations.

Privacy Risk Assessment

Identify risks in the way personal data is collected, processed, stored, and shared, with practical recommendations for improvement.

Policy & Documentation

Develop and maintain data protection policies, privacy procedures, consent management processes, and compliance documentation.

Data Protection Advisory

Receive expert guidance on privacy obligations, data governance, and regulatory requirements for day-to-day operations.

Employee Awareness

Conduct training programs to help employees understand their responsibilities in protecting personal data.
